Based on the incredible true story of Dr Omalu

CONCUSSION is based on the incredible true story of the American immigrant Dr. Bennet Omalu and his emotional quest to bring to light the dangers of football-related head trauma.

While conducting an autopsy on former NFL player Mike Webster, forensic pathologist Dr. Bennet discovers neurological deterioration that is very much similar to Alzheimer's disease.

Omalu names the disorder chronic traumatic encephalopathy and publishes his findings in a medical journal.

As other athletes face the same diagnosis, the crusading doctor embarks on a mission to raise public awareness.

Putting himself at dangerous odds with one of the most powerful - and beloved - institutions in the world.

Starring: Will Smith, Alec Baldwin and David Morse.

Totally absorbing story

HONEST and wise, poignant and warm, this is completely absorbing storytelling for fans of Marian Keyes and Jojo Moyes. An ordinary day. An ordinary bank.

An ordinary street in an ordinary town. Nothing ever happens, until, one day, a shocking robbery turns life upside down for five people:

Cillian, a police detective, Martha, the woman he thought was the love of his life, Tobias, who came to Ireland after WWII and now lies in a coma, shot in the bank robbery, Roman, the young Polish teenager who is suspected of pulling the trigger and his mother Rosa, the cleaner, who dreamed of a better life for herself and her son and things will never be ordinary again.

Fast-paced adventure

THE companion novel to Theophilus Grey and the Demon Thief is a fast-paced adventure as Philo graduates from petty fraud and street crime to high-level political espionage.

You have too much honour for this trade, my dear. Abandon it now, while you still can.

In eighteenth-century London, twelve-year-old linkboy Philo Grey has spent most of his childhood out on the streets, collecting information to sell. One of his best customers, Mr Bishop, pays him good money for intelligence about the Jacobites, who are plotting to overthrow King George. But spying on the Jacobites is a dangerous business - especially when Philo becomes the target of a rival gang of linkboys.
