WHAT PEOPLE SAY

Alison Huitfeldt, General Counsel, Linfox Armaguard Pty Ltd

"Michelle is a fantastic coach and mentor – she made a huge difference to my first year in an executive role – providing insightful and strategic advice, whilst drawing from a wealth of diverse and relevant experience. Her support didn't just apply to my day-to-day job, but also for my general career and life. It has proved invaluable, and I will use and apply it for many years to come. She is organised, thoughtful and very switched on to the nuances of work and people: I have no hesitation in recommending her."

Deborah Greenwood Smith, HR Executive

"I partnered with Michelle over the last six months to help me work through the next steps with my career. I found the sessions insightful, thought provoking, and at times, challenging. Michelle was focused on helping me stay committed to my goals. She provides sound counsel, when required, and was genuinely interested in helping me find what worked best for me. I would highly recommend working with Michelle."

Matt Scrafton, Senior PMO professional, New Zealand

"As part of my career development I worked with Michelle to provide advice, counsel and challenge on my leadership and operating style. I found the sessions tremendously valuable. Michelle has a unique ability to quickly understand an organisational environment and context, and to therefore ensure the sessions are targeted and relevant. I never felt like Michelle was following a formulaic approach, but that she was responding to what I needed, tailoring the sessions and contextualising the advice. She is not only supportive, wise and very insightful but is not afraid to hold me accountable. I would highly recommend working with her, and I am looking forward to working with her again."

Renate Vogt, General Manager Regulation, Citipower and Powercor

"I worked with Michelle during my transition to a new executive position. She provided enormous support, great counsel and appropriate challenge to ensure I was able to leverage my skills and leadership to best effect in the new role. Her extensive experience guarantees that you walk away with additional knowledge, insight and fortitude. It was an enriching and very worthwhile experience."
